THE FIRST 8 WEEKS

OVERVIEW OF THE NEW CA TK LEARNING FOUNDATION STANDARDS

Emily N. Stewart Consulting

WHAT

This workshop will guide participants through the crucial **first 8 weeks** in a transitional kindergarten classroom, focusing on establishing routines, expectations, and acclimating children to the school environment. It will cover strategies for integrating social-emotional learning and play-based experiences to foster responsive relationships and classroom routines. Additionally, the session will provide an overview of the **new California TK Foundation Standards**, exploring the PTKLF components and curriculum frameworks essential for intentional classroom experiences. Educators will gain insights into creating inclusive classrooms that cater to the needs of young learners, emphasizing play-based learning approaches.
